I am the only one in this section of the State who has Entomologist's Certificate, which you will find printed below. The railroads have refused to accept shipments from nearly all States without certificate attached, and most States require Certificate before they will allow seedlings shipped into the State.

INSPECTION CERTIFICATE.

COPY.

To whom it may concern:

This is to certify that the growing stock and premises of Mr. J. H. H. Boyd, of Gage, Tenn., were inspected on Sept. 21, 1900, and that there were no indications of the presence of the San Jose scale or other very dangerous insects.

CHAS. E. CHAMBLISS,
Entomologist Tenn. Agr. Exp. Sta.

Hoping to receive an early order, I remain,

Yours Truly,

J. H. H. BOYD.
